	Comments	

WEEK 2 - RETROSPECTIVE

Name	Item	05/12
Ariany	Things you did well	
	Things you can improve on	
	Any user stories that are unresolved	
	Velocity	20 pts
	Comments	
Hiwot	Things you did well	
	Things you can improve on	
	Any user stories that are unresolved	
	Velocity	20 pts
	Comments	
Ryan	Things you did well	Focused in on Java training better Gained much better understanding of AI and Prompt Engineering Decided on DarkHorse portfolio projects - Interview Prep App with admin side Dashboard
	Things you can improve on	More focus on Java More focus on Python More porductive afternoons
	Any user stories that are unresolved	Set projects but need more collaboration with all group members
	Velocity	40 pts

	Comments	
Group	**Things you did well**	**Better communication among members** **Tightened individual foci and technical specialties**
	Things you can improve on	**More consistent meeting times and checking in** **Complete Scrum stand documentation for portfolio credibility**
	Road blocks	**Setting routine difficult with multiple non-work activities (naturalization, job-seeking)**
	Velocity	**80 pts**

********** Week 2 - Velocity: 80 pts **********

DAY 8 - 5/16/2023

Name	Scrum Item	05/16
